

Anti-corruption Policy

This policy is applicable to BoDs, as well as any employee or other person or company that works for or on behalf of Seatrans Group. In the policy referred to as “Seatrans” or “the Company”.

We will:

- Seatrans is committed to work against corruption including extortion and bribery.
- Seatrans is committed to participate in industry networks working against corruption.
- Seatrans will establish procedures, training and systems for monitoring attempts of corruption, bribery and facilitation payments.
